EDITOR'S DESK

Rtn. Dr. Paresh Kamat
Club Service Project Director

Dear Rotarians,

As we move towards a digital future, it gives me great pleasure in introducing the first quarterly electronic edition of the Rotary magazine of the Rotary Club of Curchorem-Sanvordem chapter. Since we are all interacting on various social media platforms like Whatsapp and Facebook, paying the price tag of printing a magazine is unnecessary and it's more convenient to move towards a digital option. It will continue to bring you the same news and stories that you have enjoyed over the years but in the paperless form & also reach to many. The support of sponsorship by our own Rotarians by putting their advertisements also helps to raise some funds for our club.

As always, the purpose of the magazine will be to give the roatrians the news, updates and information to help plan effective and inspired service projects. Various initiatives like Polio eradication, Awareness on Organ donation, free eye checkups, Diabetes camps etc. have already been successfully conducted in various neighbourhoods and have helped alot of people.

Hope this e-magazine challenges the readers to be more involved in service to the society and help in tackling various socio-economic issues prevalent everywhere. Lets continue the good work and scale new heights and set new standards.

Wish all the Rotarians and the familes a very Happy and Safe Diwali !

Warm Regards,

Rtn. Dr. Paresh G. Kamat
